

The province has created a telephone service to provide non-medical information about COVID-19, including the latest information on travel recommendations and social distancing. Information is available in more than 110 languages, 7:30 am - 8 pm at 1-888-COVID19 (1-888-268-4319) or via text message at 604-630-0300.

=

(For those over 20, this is a telephone)
