

# Arlene Joan Hanna

Arlene passed peacefully, May, 2003, at her home in Parksville, after a brief but courageous battle with cancer. She was predeceased by her parents, Ruth and Wes and her beloved son Tom.

Born in Salmon Arm in November, 1941, she lived her early years in West Vancouver and the Sunshine Coast. She spoke of fun memories spending time with her West cousins. She was employed with the B.C. Ferries and married Richard Klein in 1960. Together they raised their two children, Karen and Tom.

Arlene loved her family, especially her sisters Helen and Terry. Her interests were many and included traveling and gardening. She was also a voracious reader. She was a nurturing, spiritual, kind, gentle, honorable woman and has left us with wonderful memories.
