

HAPPINESS IS:

1. Seeing two more family mills for the first time

Since five generations of Wests lived at East Hagbourne before James moved to Blewbury, it is likely that at least some of them were at the two East Hagbourne mills. One is intact and used as a residence (Hagbourne Mill) and the other is a ruin (Blewbury Mill). Note that the mill in Blewbury is known as the Old Blewbury Mill.
