

March 9, 2024. At the Spring Concert of the 2023/2024 University of Victoria Chamber Singers, alumni singers from 1973 through 2009 were invited to participate in a performance of Healy Willan's "Rise Up My Love, My Fair One". Conducted by Bruce More, their leader for all of those 37 years said: "It was magic! I've never had such a 'hungry' group of singers in front of me before, starving to sing with their colleagues". The result was an astounding performance from singers representing every year since 1973.
